## Out-of-State Tuition for Minnesota Residents

### 2019-20

ED-02431-13  
**DUE: 11/30/2020**

**General Information and Instructions:** The Minnesota Department of Education (MDE) **will not accept** handwritten applications. Please use the online form process to complete this application. This form and supporting documentation provides MDE with the necessary information to document the eligibility of a student for out-of-state tuition revenue.

Use **one** form for each student placement. If the student has multiple placements in out-of-state programs, use a separate application for each placement. MDE will use application information, supporting documentation, Minnesota Automated Reporting Student System (MARSS) record, and tuition billing to calculate the special education tuition payment.

Minnesota Statutes, section 125A.79, subdivision 8: "Out-of-state tuition. For children who are residents of the state, receive services under section 125A.76, subdivisions 1 and 2a, and are placed in a care and treatment facility by court action in a state that does not have a reciprocity agreement with the commissioner under section 125A.155, the resident school district shall receive special education out-of-state tuition aid equal to the amount of the tuition bills, minus (1) the general education revenue, excluding basic skills revenue and the local optional levy attributable to the pupil, calculated using the resident district's average general education revenue per adjusted pupil unit, (2) the referendum equalization aid attributable to the pupil, calculated using the resident district's referendum equalization aid per adjusted pupil unit, and (3) the special education aid attributable to the pupil."
