

## Instructions for Uploading Files to the Cyber-Linked Interactive Child Nutrition System

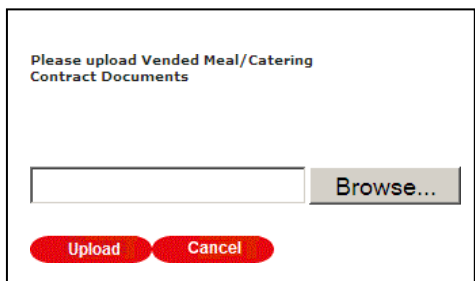

A red *Upload File* button in the Cyber-Linked Interactive Child Nutrition System (CLiCS) indicates that an additional document(s) must be submitted to the state agency. Sponsors must upload the additional document(s) to CLiCS 2 when completing the sponsor/site program applications. The exception is for documents related to a Food Service Management Company (FSMC) contract; FSMC documents must be emailed to [mde.fsmc@state.mn.us](mailto:mde.fsmc@state.mn.us) for review and approval by Food and Nutrition Service (FNS). The final, approved FSMC documents will be uploaded to CLiCS 2 by FNS.

To upload a file to CLiCS 2, follow these instructions:

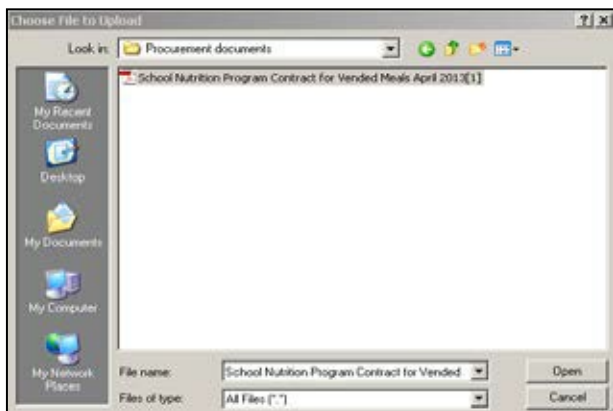

1. Select the red *Upload File* button.

2. Select *Browse* in the box that appears on the screen to locate the file on your computer.

3. Locate the file and select it by clicking on the document twice or by placing your cursor on the document, click once and then select *Open*.

4. Select the red *Upload* button to upload the file to CLiCS 2.
