

## National School Lunch Program 2020-21 Verification Reporting Requirement

### School food authorities (SFAs) required to use the Standard “Three Percent Error-Prone” Sampling Method

The following school food authorities are required to use the standard “Three Percent Error-Prone” sampling method when selecting Applications for Educational Benefits to verify for school year 2020-21. Error-prone applications are defined as income applications that are within \$1,200 annually of the free or reduced-price eligible income guidelines. For additional information, refer to 7 Code of Federal Regulations, section 245.6a and Chapter 4 of the USDA Eligibility Manual.
