Cost of Report Preparation

The total cost for the Minnesota Department of Education (MDE) to prepare this report was approximately \$100. Most of these costs involved staff time in analyzing data from surveys and preparing the written report. Incidental costs include paper, copying and other office supplies.

Estimated costs are provided in accordance with Minnesota Statutes 2015, section 3.197, which requires that at the beginning of a report to the Legislature, the cost of preparing the report must be provided.

Legislative Charge

Minnesota Statute 127A.08, subdivision 5, states in part, “. . . The commissioner must annually report to the education policy and finance committees of the Legislature by February 15 a list of all grants and gifts received and applied for under this subdivision.”

Introduction

This legislative report identifies grants and gifts the Department of Education has received and/or applied for. The report shows the fiscal year 2017 estimated dollar value of each grant or gift.
