## RMIC and Vendors Certified for MARSS Reporting

### Regional Management Information Centers (RMIC)

Regional Management Information Centers (RMIC) provide a variety of administrative, data processing and other support services for school districts. The RMIC may offer specific software support for a specific school software product. The following is a list of the RMIC Minnesota Automated Reporting Student System (MARSS) staff. You are encouraged to contact the RMIC directly for more information regarding their information management and other services.
