Firstname's score Exceeds the Reading Alternate Achievement Standards

Students at the **Exceeds** level succeed at most of the skills on the extended standards of the Minnesota Academic Standards in reading. Given little or no verbal, visual, and/or tactile supports, which provide extra context about the task to be completed, the students may demonstrate the ability to:

Key Ideas and Details: Make connections between the main idea/central message and key details of a reading passage; identify multiple traits and behaviors of characters; compare and contrast characters; answer literal and basic inferential questions about a story, poem, or informational text; sequence events or steps in a process; make relevant connections between characters and setting; summarize whole text; identify cause and effect; draw appropriate conclusions based on a reasonable interpretation of a reading passage; make logical inferences, predictions, and generalizations based on a reading passage; and identify the plot of a story.

Craft and Structure: Determine literal meanings of new and multiple-meaning words by using context clues; and determine the meaning of new grade-level, content area vocabulary.

READING AREA	DESCRIPTION	POINTS EARNED* /POINTS POSSIBLE
	Read closely to determine what the text says explicitly and make inferences.	6 / 6
	Determine the main idea in a text; summarize key supporting details and ideas.	6 / 6
	Describe how individuals, events, and ideas develop and/or interact over the course of a text.	10 / 12
	Interpret words and phrases as they are used in text, including multiple-meaning words.	3 / 3
	There were three reading passages included in the assessment. Your student had <ul style="list-style-type: none"> • 0 passage(s) read aloud by the test administrator, • read 2 passage(s) along with the test administrator, and • read 1 passage(s) independently. 	TOTAL: 25 / 27
