

Find a Sponsor to Join the Food Program

The organizations listed below are existing sponsors that may be available and willing to take on additional sites for participation in the USDA's Federal Nutrition Programs including the Child and Adult Care Food Program (CACFP) and/or the Summer Food Service Program (SFSP). Please contact these organizations if you would prefer to operate the food program as a site under an existing sponsor rather than apply directly with the state agency to sponsor a USDA child nutrition program.

The sponsors below will either provide meals or reimbursement. If meals are provided no reimbursement funds will be paid to the site.
